Have MU-2B-20 "F" Model (Short Model), Serial Number 182. Want to install tip dump valves, LED landing and position lights, and strobes. Copies of any STC Information, installation diagrams or POH updates regarding this type of installation and these items would be appreciated. John Fields. Ranger Aviation. San Angelo, TX. 325-949-3773, FAX 325-949-3775, Text 941-380-3073, and email johnfields@rangeraviation.com
